

SSN-MatchDIRECT™ - Automated Form SSA-89 Processing in minutes.

[SSN-MatchDIRECT™](#) verifies whether a name and Social Security Number (SSN) combination match the data in SSA's records. SSN-MatchDIRECT™ is the result from processing the signed consent [Form SSA-89](#). The Form SSA-89 is currently the only way to verify a Social Security Number 100% directly from the SSA.

Easy, Fast Order Processing

Just \$15 per order

Simply, login to your CISCO-tax verification account and create the **SSN-MatchDIRECT™** order online. Upload the SIGNED Form SSA-89 into the order. Once the order and form is approved, the results will come back from the SSA's CBSV database inside the order instantly. The turn around time is usually 10 – 40 minutes.
